Dil ki dhadkan hai ya goliyon ka shor hai  
Faasle ho jaaye na nazdeek  
Aa jaa mila le dil jala le  
Zindagi ko na jaane milegi yeh naseeb  
Dil mein to chain nahin, rahe nahin, sahe nahin  
Yeh sawaal to khaayi jaaye  
Jeena to maut na jaane kab aayega  
Kise bulaake yeh kise le jaayega  
Maut, jeene ke liye zaroori hai yeh  
Maut, kaise ban gayi majboori hai yeh  
Maut, lamhe ruk jaate jab yeh aati  
Maut, saanson ko baahon mein leke jaati  
Zinda hoke mar gaya, main marke zinda ho gaya  
Dil ki dhadkan mein yeh zindagi ka shor hai  
Dil manaate yeh shaq hai abhi  
Har sawaal jawaab ka fizool hai  
Yeh khayaal to kar le koi  
Jeena dusaar hai, pyaar hai, yaar hai  
Mardon ko yeh do raahein dikhaaye  
Jeena to jeena hai, marna hai to marna hai  
Jis ka waqt aaya hai usi ko chal jaana hai  
Maut, sirf raahein badal jaate hai  
Maut, naye daur khul jaate hai  
Maut, lena dena tab pata chalta hai  
Maut, kamaai ka hajara milta hai  
Bekhabar hai, sawaal yeh nishaan hai  
Mil jaaye jo woh hai naseeb  
Jeena toofaani hai, baaqi sab bayaani hai  
Jhooth leke jaati hai zindagi  
Mera bulaava hai, yeh zindagi ka daava hai  
Mujhe bulaaye yeh tujhe bhi bulaaye  
Banke hawa muskuraaye  
Meri maut, teri maut, iski uski sab ki bas  
Maut, jeene ke liye zaroori hai yeh  
Maut, kaise ban gayi majboori hai yeh  
Maut, lamhe ruk jaate jab yeh aati  
Maut, saanson ko baahon mein leke jaati  
Maut, sirf raahein badal jaate hai  
Maut, naye daur khul jaate hai  
Maut, lena dena tab pata chalta hai  
Maut, kamaai ka hajara milta hai  
Maut.
