Hey tu hi re, tu hi re battery hai  
Saanson ki tu bijili  
Hey tu hi re, tu hi re battery hai  
Discharge na hona kabhi  
Sun to mechanical sundariye  
Tere hi current se main jaaga priye  
Dil mein utar gayi data jaise  
Hey my digital sonniye  
Chhu loon tere siliconic gaal kabhi  
Firewall jaise rokein baal kabhi  
Wifi se duniya ki sair karein  
Hoon super conductor main  
Hey tu hi re, tu hi re battery hai  
Saanson ki tu bijili  
Hey tu hi re, tu hi re battery hai  
Discharge na hona kabhi  
Hey tu hi re, tu hi re battery hai  
Saanson ki tu bijili  
Hey tu hi re, tu hi re battery hai  
Discharge na hona kabhi  
Sun to mechanical sundariye  
Tere hi current se main jaaga priye  
Dil mein utar gayi data jaise  
Hey my digital sonniye  
Woh sensor hai jis se jaage ehsaas  
Woh cable jo ho energy pass  
Hai disc tu aur hai drive bhi tu  
Woh software jis se bujhe meri pyaas  
Tere ram se cpu dhadke  
Aa login kar le, tera password de  
Electromagnetic rishte mein  
Yeh love shuv kahan se aa gaya  
Aisa tu aisa shuruwat meri  
Mega oh mega tu hi aakhiri  
Love you from zero to infinity  
Hey tu hi re, tu hi re battery hai  
Saanson ki tu bijili  
Hey tu hi re, tu hi re battery hai  
Discharge na hona kabhi  
Hey tu hi re, tu hi re battery hai  
Saanson ki tu bijili  
Hey tu hi re, tu hi re battery hai  
Discharge na hona kabhi  
Sun to mechanical sundariye  
Tere hi current se main jaaga priye  
Dil mein utar gayi data jaise  
Hey my digital sonniye
