Kammo
Mera dil le gayee oye
Mera dil le gai oye kammo kidhar
Mera dil le gai oye kammo kidhar
Mai dekhun us ko idhar udhar
Mera dil le gai oye kammo kidhar
Mai dekhun us ko idhar udhar
Yaaro jaao dhundh ke laao
He yaaro jaao dhundh ke laao
Yaaro jaao dhundh ke laao
Yaaro jaao dhundh ke laao
Mera dil le gai oye kammo kidhar
Mai dekhun us ko idhar udhar
Mera dil le gai oye kammo kidhar
Mai dekhun us ko idhar udhar
Kammo tu samane mere aaja
Kammo tu jalwa apana dikha ja
Kal sapano me aai thi
Sharamaai thi, ghabaraai thi
Kal sapano me aai thi
Sharamaai thi, ghabaraai thi
Aisaa dard jagaayaa yaaro
Mai nu nid na aayi
Bhagadaa paa bhagadaa
Ho bhagadaa paa bhagadaa
Kah de jag se saare
Bhagadaa paa bhagadaa
Kah de jag se saare
Bhagadaa paa bhagadaa
Usaki bholi ankhon ka
Deewana ban baitha
Aisi aag lagai me parvana ban baitha
Premi pagal ashqi mai
Mastana ban baitha
Duniya dia gal sun
Mai anjana ban baitha
Mai sab kuchh ote upe vaaraa
Wo meraa buraa haal kar gai
Mai sab kuchh ote upe vaaraa
Wo meraa buraa haal kar gai
Mera dil le gai oye kammo kidhar
Mera dil le gai oye kammo kidhar
Mai dekhun us ko idhar udhar
Sapano ki us raani ko
Mai apni jaan banaaungaa
Aaj nahi to kal us ko
Mai apne ghar le aaungaa
Kammo mera chain churake
Jaane kitthe kho gai
Mai nu husn ke rag dikhaa ke
Kammo to kamaal kar gai
Mai nu husn ke rag dikhaa ke
Kammo to kamaal kar gai
Mera dil le gayee oye
Mera dil le gai oye kammo kidhar
Mai dekhun us ko idhar udhar
Mera dil le gai oye kammo kidhar
Mai dekhun us ko idhar udhar
Yaaro jaao dhundh ke laao
He yaaro jaao dhundh ke laao
Yaaro jaao dhundh ke laao
Yaaro jaao dhundh ke laao
Yaaro jaao dhundh ke laao
Mera dil le gai oye kammo kidhar
Mai dekhun us ko idhar udhar
Mera dil le gai oye kammo kidhar
Mai dekhun us ko idhar udhar
Dil jo paanaa hai dhundh ke laanaa hai
Aisi waisiA chalo kammo ke ghar
Dil jo paanaa hai dhundh ke laanaa hai
Aisi waisiA chalo kammo ke ghar
Dil jo paanaa hai dhundh ke laanaa hai
Aisi waisiA chalo kammo ke ghar
Dil jo paanaa hai dhundh ke laanaa hai
Aisi waisiA chalo kammo ke ghar.
