A little sweet a little sour
A little close not too far
All i need all i need
All i need is to be free
A little sweet a little sour
A little close not too far
All i need all i need
All i need is to be free
Chhoo loon main
Itna kareeb
Chal padun
To kitne door
A little sweet a little sour
Chhoo loon main itna kareeb
Chal padun to kitne door
Sapna ka buna sweater sa warm
Safed baadalon ke paar
Mera jahan
Let me in without a shout
Let me in i have a doubt
Let me in without a shout
Let me in i have a doubt
There are more many more
Many many many more like me
Akela nahin main
Khuli aankhon se
Neend mein chalta
Girta zyada kam sambhalta
Akela nahin main
Khuli aankhon se
Neend mein chalta
Girta zyada kam sambhalta
Phir bhi na koi shaq na subha
Nikalega phir se sooraj jo dooba
Hairat ho sabko aisa
Ajooba hai mera jahan
Open eyed how i run
How i run to the other side
Open eyed how i run
How i run to the other side
Then i glide like a bird
I just want to be
Udne ko sau pankh diye hai
Chadme ko khula aasmaan
Udne ko sau pankh diye hai
Chadme ko khula aasmaan
Mudne ko hai karwat karwat
Aur badhne ko mera jahan
Bachpan ke din chaar
Na aayenge baar baar
Jee le jee le mere yaar
Jeib khaali to udhaar
Jee zindagi.
