Ab duniya se shikwa nahi hai  
Na raha ab zindagi se gila  
Kiska karam hai kiski dua hai  
Ya naseebo se tu mujhko mila  
Ab jo mile ho door na jaana  
Tere bina dil lagta nahin  
Mera jeena hai kya  
Marna hai kya  
Jab saath tera nahi  
Paa ke rab kya karu  
Jab tu hi mera nahin  
Jab tu hi mera nahin  
I am never gonna live  
Without you baby now  
You the only one was  
Always in my fantasy  
You the only one to  
Make me reach my ecstasy  
I dont want nobody else but you  
I am loving you loving you  
Berang se din the  
Tanhā thi raatein  
Kuch na badalta  
Jo tum na aate  
Kuch na badalta  
Jo tum na aate  
Kehne ko yun toh  
Rishtey kahin hai  
Rishton mein koi apna nahin  
Mera jeena hai kya  
Marna hai kya  
Jab saath tera nahi  
Paa ke rab kya karu  
Jab tu hi mera nahin  
Mera jeena hai kya  
Marna hai kya  
Marna hai kya  
Kyun chup gaya hai  
Ankhiyon ko meeche  
Sharmon haya ke  
Pardon ke peeche  
Pardon ke peeche  
Apne sanam se  
Parda hai kaisa  
Jab ke khuda se  
Parda nahin  
Mera jeena hai kya  
Marna hai kya  
Jab saath tera nahi  
Paa ke rab kya karu  
Jab tu hi mera nahin  
Jab tu hi mera nahin  
Ab duniya se shikwa nahi hai  
Na raha ab zindagi se gila  
Kiska karam hai kiski dua hai  
Ya naseebo se tu mujhko mila  
Ab jo mile ho door na jaana  
Tere bina dil lagta nahin  
Mera jeena hai kya  
Marna hai kya  
Jab saath tera nahi  
Paa ke rab kya karu  
Jab tu hi mera nahin  
Jab tu hi mera nahin.
