Mere bichade sathi sunta ja  
Mere geet hai tere liye  
Mere bichade sathi sunta ja  
Mere geet hai tere liye  
Mere bichade sathi sunta ja  
Kal jo lagi thi tere gale se  
Aaj wo virahan path me padi hai  
Pawo ke niche jalti hai dharti  
Sar pe virah ki dhup khadi hai  
Mere bichade sathi sunta ja  
Mere geet hai tere liye  
Mere bichade sathi sunta ja  
Deepak se lo dur ho jaise  
Jaise kiran suraj se parayi  
Dekhe na honggi jag ne sawriya  
Aisi mile hai mujhko judayi  
Mere bichade sathi sunta ja  
Mere geet hai tere liye  
Mere bichade sathi sunta ja  
Pyaar sahara tha jivan ka  
Pyaar hi mujhko ras na aaya  
Ab hai bhatkana galiyo galiyo  
Sath liye apni hi chhaya  
Mere bichade sathi sunta ja  
Mere geet hai tere liye  
Mere bichade sathi sunta ja.
