Mere dil me rehne walee mujhe apna kehne walee
Dhadkano kaa ehsas too hai, har ek lamha mere pas too hai
Tere siva na chahat hai koyee, na hain koyee arman
O meree jan meree jan meree jan -2
Hmm bahut chahane laga hu meree jan tujhe
Han ke abb ajma rahee hain mohabbat mujhe
Kaisa hain yeh mera divanapan
Har taraf hain tera najara, tujhko paya toh dil pukara
Tere siva na chahat hain koyee, na hain koyee arman
O meree jan meree, jan meree, jan meree jan
Meree jan, meree jan, meree jan, meree jan, meree jan
Larajte labon se tera woh kehna sanam
Ho mere sath sath har pal too rehna sanam
Tere bin mujhe abb nahee jina
Kis janam kaa yeh silsila hai, too milee toh sab kuchh mila hai
Tere siva na chahat hai koyee, na hain koyee arman
O meree jan meree, jan meree, jan meree jan
Meree jan, meree jan, meree jan, meree jan, meree jan
Mere dil me rehne walee mujhe apna kehne walee
Dhadkano kaa ehsas too hai, har ek lamha mere pas too hai
Tere siva na chahat hai koyee, na hain koyee arman
O meree jan meree, jan meree, jan meree jan
Meree jan, meree jan, meree jan, meree jan, meree jan
