Mere halaat yeh kya huye hai khuda  
Mere halaat yeh kya huye hai khuda  
Kya the mere gunaah, kya thi meri khata  
Mere halaat yeh kya huye hai khuda  
Mere halaat yeh kya huye hai khuda  
Kya the mere gunaah, kya thi meri khata  
Mere halaat yeh kya huye hai khuda  
Ajanabi shahar ke ajanabi raaste, A' bebasi par meri muskuraate rahe  
Meri masumiyat jehar peeti rahi, jindagi har kadam aajmaati rahi  
Maine chaaha tha kya, tune kya de diya  
Maine chaaha tha kya, tune kya de diya  
Mere khaathir hai kyun tera yeh faisla  
Mere halaath ye kya huye hai khuda  
Khwahisho ke mere kyun diye bujh gaye, hasrato ke sabhi kaarwa lut gaye  
Jindagi lamha lamha ulajhati gayi, meri takdeer ke na khuda so gaye  
Chhin kar har khushi, ghum mata kar diya  
Chhin kar har khushi, ghum mata kar diya  
Kya meri mannato ka yahi hai sila  
Mere halaat yeh kya huye hai khuda  
Mere halaat yeh kya huye hai khuda  
Kya the mere gunaah, kya thi meri khata  
Mere halaat yeh kya huye hai khuda  
Dard sehata raha phir bhi hansata raha  
Roj jita raha, roj marata raha  
Ik hasi kal ki thi bas tamannaa mujhe  
Isliye barf bankar pighalta raha  
Tapate suraj ke jaisa mera hausala  
Tapate suraj ke jaisa mera hausala  
Roj jalata raha, roj dhalata raha  
Mere halaat yeh kya huye hai khuda.
