Meree duneeya me tum aayee, kya kya apne sath liye
Tan kee chandee man kaa sona, sapano walee rat liye
Tanha tanha khoya khoya dil me dil kee bat liye
Kab se yu hee phirta tha mai armanan kee barat liye
Rajkumar ankhere kaa ishara samajho aaj diya dilka jalana hoga
Priya tum bade who ho mujhe jane do
Rajkumar ja sakogi
Priya mujhe jana hoga, chhodo naa
Rajkumar aaj kee rat toh dil todo naa
Dhalka aanchal phaila kajal ankho me yeh rat liye
Kaise jau sakhiyo men abb teree yeh saugat liye
Meree duneeya.....
Sine kee yeh dhadkan sunle naa koyee
Haye haye abb dekhe naa koyee
Naa jao naa jao, hato hato dar lagta hai
Suno suno, dar lagta hai
Dil me kitanee kaliya mehakee, kaise kaise phul khile
Najuk najuk meethe meethe hothon kee khairat liye
Meree duneeya.....
Chand se kaise aankh milau, bahon me aao tumko batau
Bas bhee karo, abb naa daro rat hai yeh apanee
Payal chhanake kangana khanake badalee jaye chandane
Manjil manjil chalna hoga hathon me yeh hath liye
Meree duneeya me tum aayee
