Har ko jit banaakar badee sachchai se
Premane dil pe woh chahat kaa asar dala hai
Aaj inkaar kee surat hee nahee hai koi
Har hee roka nahee phulo kee jaymala hai
Kuchh bate ho chuki kuchh bate abhee hai bakee
Bauchhar ek padee hai barasate abhee hai bakee
Khulake nachane ko bekal manaka mayura hai
Milan abhee aadha adhura hai - 4
Mile honge radha krishna yahee kisee ban me
Prem madhuri unakee basee hai pawan me
Aur bhee pas aa gaye ham iss divya vatavaran me
Ek mann diya hai kitane sau gate abhee hai bakee
Bauchhar ek padee hai barasate abhee hai bakee
Hame milane me sabaka sahiyog pura hai
Milan abhee aadha adhura hai - 4
Jarana suhana aisa prem git gaye
Aane wale kal ke mithe sapne dikhaye
Yeh ehsas pehelee bar dil ko gudgudaye
Sab din abhee hai bakee sab rate abhee hai bakee
Bauchhar ek padee hai barasate abhee hai bakee
Ched diya purava ne tan kaa tan pura hai
Milan abhee aadha adhura hai - 3
