Milane ko nahi aaye kuchh aisa huwa hoga
Furasat na mili hogi, mauka na mila hoga
Lonely nights and lonely days
Everywhere i look i see your face
Only you can take away this pain now and forever nd ever nd ever
Hold me baby come on
Lonely nights and lonely days
Everywhere i look i see your face
Only you can take away this pain now and forever
Kehane ko yaha kuchh hai, kehane ko waha kuchh hai
Socho toh bahot kuchh hai, socho toh kaha kuchh hai
Gujare huye lamho ne kuchh bhi na kaha hoga
Furasat na mili hogi, mauka na mila hoga
Lonely nights and lonely days
Everywhere i look i see your face
Only you can take away this pain now and forever nd ever nd ever
O baby lonely nights and lonely days
Everywhere i look i see your face
Only you can take away this pain now and forever
Milane ke liye mujhase, ghar se toh chale honge
Jasbaat ki shidaat mein roke na ruke honge
Par chaand toh madhdam tha, rasta na mila hoga
Furasat na mili hogi, mauka na mila hoga
Milane ko nahi aaye kuchh aisa huwa hoga
Furasat na mili hogi, mauka na mila hoga
Lonely nights and lonely days
Everywhere i look i see your face
Only you can take away this pain now and forever nd ever nd ever
O baby lonely nights and lonely days
Everywhere i look i see your face
Only you can take away this pain now and forever
