Mili hai kisise najar dhire dhire
Shuru jindagi ho gayi dhire dhire
Wafa ke naye gul khilayenge, naya aashiya ham banayenge
Mehkane lagega safar dhire dhire, shuru jindagi ho gayi dhire dhire
Teraa pyar yara hai meraa sahara, mujhe iss janam me mila hai dobara
Meree roshini ke diye jal rahe hain, naya pyar le karke ham mil rahe hain
Teraa meraa meraa teraa dil hai ek sa
Uthi hai jigar me leher dhire dhire, shuru jindagi ho gayi dhire dhire
Mili hai kisise najar dhire dhire, shuru jindagi ho gayi dhire dhire
Yeh jo ho raha hai mujhe lag raha hai
Jindagi kaa meree faisla ho raha hai
Kahan se chale the kahan aa gaye hain
Jahan phir jamin aasman mil rahe hain
Teree baahe teree sanse aur kya chahiye
Teree baahe teree saanse aur kya chaahiye
Banegi kahani amer dhire dhire, shuru jindagi ho gayi dhire dhire
Mili hai kisise najar dhire dhire, shuru jindagi ho gayi dhire dhire
Wafa ke naye gul khilayenge, naya aashiya ham banayenge
Mehakne lagega safar dhire dhire, shuru jindagi ho gayi dhire dhire
Mili hai kisise najar dhire dhire, shuru jindagi ho gayi dhire dhire
