Ud ke jana hai dur jana hai  
Hamko badlo ke  
Par sapno ke jaha me jana hai  
Muskurna hai gungunana hai  
Inderdhanus ke rango ko churake  
Jag sajana hai hai hai  
Hu lal lala, hu lal lala  
Hu lal lala, hu lal lala  
Dekhle tu kaise badlo ko cheere ja raha hai  
Dekhle tu kaise badlo ko cheere ja raha hai  
Ye zaroor kuch na kuch  
Hamare liye leke aa raha hai  
Kya pata lena aye  
Wo jadu ki chadi kaviyo se kahi  
Mlike khana hai jam ke khana hai  
Bread tofiyo aur choklate ki nadi banana hai  
Hu lala lala, hu lala lala  
Hu lal lala, hu lal lala  
Asma se tare tod laye  
Aur saja de is jamin par  
Asma se tare tod laye  
Aur saja de is jamin par  
Gamle phoolo ko saja se  
Ham dono taro ki jagah par  
Rang badlo mein jo bhare  
Holi pe wahi rang barse  
Dhum machana hai sab pe  
Chana hai ham kisi ki nahi sunenge  
Sabko apni sunana hai  
Ud ke jana hai dur jana hai  
Hamko badlo ke  
Par sapno ke jaha me jana hai  
Hu lal lala, hu lal lala  
Hu lal lala, hu lal lala.
