Main karne laga miss tujhe
I m not living in my present jee raha yesterday
Pasand aane lage mujhe teri harkate
Tu pass nahin dhundu tujhe har jagah
Main karne laga miss tujhe
I m not living in my present jee raha yesterday
Pasand aane lage mujhe teri harkate
Tu pass nahin dhundu tujhe har jagah
Paas tere hota hun tab ho jaata hu mute
Aisa lagta hai ki unchai se gira hu perachute
Bani tu itni cute bani kyu
Dil mein bas gaya hard banda kal tak
Lekin aaj pyaar mein fas gaya
Kyu, kyuki jitna samay main bitaya tere saath mein
Aisa lag raha koi ni hoga tere baad mein
Tuhi ek mujhe dekh tere samne hu jo bhi hu
Yeh bantai nahin banta fake
Main karne laga miss tujhe
I m not living in my present jee raha yesterday
Pasand aane lage mujhe teri harkate
Tu pass nahin dhundu tujhe har jagah
Main karne laga miss tujhe
I m not living in my present jee raha yesterday
Pasand aane lage mujhe teri harkate
Tu pass nahin dhundu tujhe har jagah
Tujhse mile bina rehna bole bheje pe shot hai
Tu hi cute tu hi mere liye sabse hot hai
Baaki kisi pe bharosa nahin sab yahan pe fraud hai
Sab log fame ke liye mere piche by god main
Uske saath rahuga jisne diya har waqt saath
Jab bhi saath hoti hai tu kitni pyaari hoti raat
Zyada baat nahin karte hai lekin dil jude hai
Door hai tu mere se mere ab neend udey hai
Main guaranty deta hun pyar ka iss quarantine mein
Warranty mein relationship apna nahin chalega
Sahi chalega tera mera jaise career mera
Dekh kitna famous hu main mujhse ab kon nahin jalega
Nahin chalega doori gharpe bolke aaja mere pass
Bolke aana gharpe shadi kareli tu mere saath
Dede haath ek hi tat mein khayege daal bhaat
Maa ki aankh jo bhi beech mein aayega dunga laot
Gussa aa raha main karuga ab diss tujhe
Kyu itni door hai nahin milega ab kiss tujhe
Jab pass thi kadar nahin kara tha main tera
Aaj duba pyar mein karne laga hu miss tujhe
Main karne laga miss tujhe
I m not living in my present jee raha yesterday
Pasand aane lage mujhe teri harkate
Tu pass nahin dhundu tujhe har jagah
Main karne laga miss tujhe
Pasand aa rahi hai harkate
Hahaha! Bahut hard !
