Oye, oye, oye, aaha, aaha, o chak de  
Gunj rahe chaahat ke nagame, gunj rahee shehnaayee  
Ishk mohabbat pyaar vafa kee, jhum rahee parchhaayee  
Rup gulaabee gulshan taaro ne julf ko uljhaaya  
Haath champai darpan, darpan me saajan kee chhaaya  
Har dil ne yahee kaha dafaatan  
Chaand woh jamin par aaya, aaj huwa mai divaana  
Khushee kaa har paimaana, aankho se chhalakata jaaye  
Chhalakata, chhalakata, chhalakata.....  
Gunj rahe chaahat ke nagame, gunj rahee shehnaayee  
Ishk mohabbat pyaar vafa kee, jhum rahee parchhaayee  
Mitharee mitharee ho, hey sanjee, mitharee mitharee ho, jhulelaal  
Jashne mohabbat, jashne vafa hain  
Ishk ke aasman pe, husn kee shama hai  
Divana yeh dil hai, divanee jubaan hain  
Tujhako duwaaye detee thakatee kaha hain  
Jhum rahee hain, ek paree leke aadhee angdaayee  
Ishk mohabbat pyaar vafa kee gunj rahee shehnaayee, ha...  
Milana bichhadanaa, rit jindagee kee..  
Koyee toh nibhaaye koyee hamhe chhod jaaye..  
Sadiyo se aadat hain yeh aadamee kee  
Koyee yaad rakhe koyee hame bhul jaaye..  
Gunj rahe chaahat ke nagame, gunj rahee shehnaayee  
Ishk mohabbat pyaar vafa kee, jhum rahee parchhaayee  
Rup gulaabee gulshan, taaro ne julf ko uljhaaya  
Haath champai darpan, darpan me saajan kee chhaaya  
Har dil ne yahee kaha dafaatan,  
Chaand woh jamin par aaya, aaj huwa mai divaana  
Khushee kaa har paimaana, aankho se chhalakata jaaye, chhalakata..  
Gunj rahe chaahat ke nagame, gunj rahee shehnaayee  
Ishk mohabbat pyaar vafa kee, jhum rahee parchhaayee
