Din chadhe mujhase puchhe najar, kaun tha sapano mein raat bhar  
Aap ka hi tha asar, abb aap hi ho humsafar  
Mohabbat aapse aapse aapse, haqiqat aapse.....  
Sharabati najaron mein aap hai, makhamali palakon ke paas hai  
Aap toh ehsaas hai, abb khub hai aur khaas hai  
Mohabbat aapse aapse aapse, haqiqat aapse.....  
Kahin na kahin yeh dil jab aata hai  
Ghadi do ghadi ko tab samjhaata hai  
Dilon ka dilon se bhi kuchh naata hai  
Yeh dil doharaata hai, mohabbat aapse, haqiqat aapse -2  
Mohabbat aapse  
Dilruba kehata hai aapko, dil khuda kehata hai aapko  
Har dafa yeh aapko, kehata wafa hai aapko  
Mohabbat aapse aapse aapse, haqiqat aapse.....
