Mohabbat aisa lashkaara, lage hai dil ko jo pyaara  
Tujhe main dekhu beshak yaara, ude saanson mein jhankaara  
We feel it, we do it, we don't need permission for it  
We ?? it, we roll it, no one got control over it  
Tere ishq mein soye jaage mera dil  
Tere ishq mein jhumein naache mera dil  
Tera chehara shaam sabere aankhon mein  
Khoyi rehate hoon main teri baaton mein  
Your love got me feeling good, come on and hold me like you should  
Boy you always on my mind, so i just got you make you mine  
I m feeling you o my baby, gotta let me be your lady  
I am the top chick man, a ?????  
Tere ishq mein soye jaage mera dil  
Tere ishq mein jhumein naache mera dil  
Tera chehara shaam sabere aankhon mein  
Khoyi rehate hoon main teri baaton mein  
Mohabbat aisa lashkaara, lage hai dil ko jo pyaara  
Tujhe main dekhu beshak yaara, ude saanson mein jhankaara  
Listen to the sound ? my dj, we not wanna hear what you wanna say  
We give you something that you never heard before  
Get to the floor, ? no more, jumpin like so hard kaur
