Tere kadmon ke hain nishaan nahi
Teri aag mein hai dhuaan nahi
Tere lafzon ki zubaan nahi
Tu hoke bhi hai yahaan nahi (x2) Tu bina jism ki saans hai
Tu raakh hai, khaak hai
Tu bina jism ki saans hai
Tu kaun hai
Tera naam kya hai bata You can call me X (you can call him X)
You can call me X (you can call him X)
You can call me X (you can call him X)
Mr. X (x2) Teri khushboo mujhe hai kheenchti
Teri saansein jism sekti
Teri dhadkan hi suni hai bas
Teri parchaayi bhi to nahi (x2) Mere andekhe se meherbaan
Tu kaun sa raaz hai
Mere andekhe se meherbaan
Tu kaun hai, tera naam kya hai bata? You can call me X (you can call him X)
You can call me X (you can call him X)
You can call me X (you can call him X)
Mr. X (x2) It is all bloody human heart
Thirsts for Love, Eternal Love
Love, Love!
