Mubaarak ho tumko  
Mubaarak ho tumko  
Ye jungle puraana  
Yahaan par hai hamko  
Honeymoon manaana  
Tu to deewana deewana deewana  
Tu to deewana deewana deewana  
Tak dhinadhin tak dhinadhin  
Tak dhinaadhin  
Deewana aadmi ko  
Banaati hai beewiyaan  
Bandar ka naach ghar mein  
Nachati hain beewiyaan  
Sun meri darling re  
Sun mere sweetheart  
Where are you re  
Maare gaye bane dil ka aachar  
Chadhe pyaar ka bukhaar  
Suno suno jamaadaar  
Jaaoge kahaan jhaadoo chhod ke  
Jhaadoo chhod ke  
Baharon ghaas phailao  
Meri gharwaali aati hai  
Meri gharwaali aati hai  
Tu jahaan jahaan charega  
Tera chara saath hoga  
Tera chara, tera chara  
Kahaan gaya re  
Kidhar gaya re  
Kahaan mera kala kala  
Bandar gaya re  
Kahaan gaya re  
Kidhar gaya re  
Kahaan bhaag rahe hai  
Arre potti  
Hame kaale hain to  
Kya hua gharwaale hain  
Hame kaale hain to  
Kya hua gharwaale hain  
Hame kaise kaise dekho paale hai  
Hame kaale hain to  
Kya hua gharwaale hain  
Allah isko sambhaalo na  
Aa daud ke aa jaa meri khaat  
Tujhe tera jaat bulaata hai  
Aa daud ke aa jaa meri khaat  
Mujhko apne sar pe bithha lo  
Ae mere chapraasi  
Mujhko apne sar pe bithha lo  
Tumhe yaad hoga  
Kabhi ham lade thhe  
Lade thhe to kuchh sar pe  
joote pade thhe  
Tumhe yaad hoga  
Kabhi ham lade thhe  
Sar ko jhuka ke baith yahaan  
Pyaar ki maala jab re  
Jap jap jap jap  
Thhap thhap thhap thhap  
Bam bam bam bam bam  
Mujhe duniya waalon miraasi na samjho  
Muhabbat mein chatni banaai gayi hai  
Ke tabla samajh kar ke mehfil mein uski  
Meri khopdi tak bajaayi gayi hai  
Ek mandeli ke chamwe tale  
Ek mandeli ke chamwe tale  
Do badan pyaar ki bhaap mein bhun gaye  
Do badan pyaar ki bhaap mein bhun gaye  
Ek mandeli ke tamwe tale  
Ek mandeli ke tamwe tale  
Kunwaaron ki suno  
Wo tumhaari sunega  
Kunwaaron ki suno  
Wo tumhaari sunega  
Tum ek beewi doge  
Wo char char dega

Kunwaron ki suno  
Wo tumhaari sunega.
