Ho, ho.....
Mujhe madhur lagata hai unase
Apna pyar chhupana, han pyar chhupana
Bhitar bhitar han kahu mai, o bhitar bhitar han kahu mai
Bahar bolu na na, mujhe madhur lagta hai unase
Apna pyar chhupana, han pyar chhupana
Kitanee pyaree thee, kitane thee bolee
Unakee merree woh aankh micholi
Mann key andar mai kehtee thee
Aaja, aaja ho more raja
Aaja, ho more raja aaja
Aankho se kehtee thee naa aana, naa aana
Mai toh kartee thee bahana
Mujhe madhur lagata hai unase
Apna pyar chhupana, han pyar chhupana
Ik ishare me jo chhalake, prem nahee hai woh gahara
Unn aankho kee kimat hee kya, jinpe nahee sharam kaa pahara -2
O merree duneeya alag hai sabhee se rey
Merree duneeya alag hai sabhee se
Han han han merree ada nirali, han han o ho ho merree ada nirali
Mai toh chhup chhup key pyar karu, han han pyar karu
Ho merree prit hai, han merree prit hai, prit hai
Ghunghat wali, han han ghunghat wali
Aa ha ha ha aa, prit hai ghunghat wali
Ghunghat wali, prit hai ghunghat wali
Aa ha ha ha ha.....
O ho ho ho ho.....
Aa ha ha ha ha.....
