Mm hmm hmm hmm, eh hey, la la la  
Mujhe raat din, bas mujhe chahti ho  
Mujhe raat din, bas mujhe chahti ho  
Kaho na kaho mujhko sab kuch pataa hai  
Haan, karoon kya mujhe tum bataati nahin ho  
Chhupaati ho mujhse yeh tumhaari khataa hai  
Aa mujhe raat din, bas mujhe chahti ho  
Meri beqaraari ko had se badhaana  
Tumhe khoob aata hai baatein banaana  
Nigaahein milaake yun mera chain lena  
Sataake mohabbat mein yun dard dena  
Mujhe dekhke aise palkein jhukaana  
Sharaarat nahin hai to phir aur kya hai  
Aa mujhe raat din, bas mujhe chahti ho  
Tumhe neend aayegi ab na mere bin  
Mujhe hai yakeen aisa aayega ek din  
Khuli teri zulfon mein soyaa rahoonga  
Tere hi khayaalon mein khoaya rahoonga  
Kabhi gaur se meri aankhon mein dekho  
Meri jaan tumhaara hi chehraa chhupaa hai  
Aa mujhe raat din, bas mujhe chahti ho  
Kaho na kaho mujhko sab kuch pataa hai  
Haan, karoon kya mujhe tum bataati nahin ho  
Chhupaati ho mujhse yeh tumhaari khataa hai  
Aa mujhe raat din, bas mujhe chahti ho  
Mm, hmm hmm hmm, eh hey, la la la.
