Mujhe to tumse pyar hai
Zara zara khumar hai
Khade ho samne magar
Tumhara intzaar hai
Badi ajib pyas hai
Yeh dil bhi bekrar hai
Na hosh hai zamane ka
Na khud pe akhtiyar hai mera
O my love o my love o my love
Mujhe to tumse pyar hai
Zara zara khumar hai
Khade ho samne magar
Tumhara intzaar hai
Badi ajib pyas hai
Yeh dil bhi bekrar hai
Na hosh hai zamane ka
Na khud pe akhtiyar hai mera
O my love o my love o my love
Everybody
Zoom zoom dance karo
Zoom ke romance karo
Pyar mein jawani guzaro
Kabhi ikrar karo
Kabhi intzaar karo
Yaar ko nazar mein utaro
Meethi meethi baate karo
Yuhi mulakate karo
Kehne pe logo na ke jaao
Dhire dhire chori chori
Na maano to zora zori
Kisi ke karib to aao
Wafa ki tum kitab ho
Haseen la jawan ho
Bina piye surur de
Wohi to tum sarab ho
Main dekhta raha jise
Wahi jawan khwab ho
Jo dil ke bag mein khila ho
Wahi tum gulab kali
O my love o my love o my love
Mujhe gale laga lo tum
Nighaho mein basa lo tum
Main sabnami khayal hu
Labo pe to saza lo tum
Jo dhadkano ko chain de
Wo dilruba bana lo tum
Main jaan bhi lutaungi
Jo chaho aajmalo tum mujhe
O my love o my love o my love
Everybody again
Thoda thoda drama hoga
Thoda hungama hoga
Jayenge jahan bhi dilwale
Rukte nahin hain kabhi
Jhukte nahin hain kabhi
Ishq mein jo hai matwale
Koi to sunega kabhi
Koi to sunega kabhi
Gaate raho dil ke taraane
Baaho jawani hogi
Mast zindagani hogi
Banege kabhi afsane
Akele mein mili nazar
Huye deewane bekhobar
Kasur ki yeh kisi na
Mahobbato ka hai asar
Jo chahe karle yeh jahan
Kisi ki bhi nahin fikar
Challenge saath saath hum
Rahenge sang umar bhar yahan
O my love o my love o my love
Mujhe to tumse pyar hai
Zara zara khumar hai
Khade ho samne magar
Tumhara intzaar hai
Badi ajib pyas hai

Yeh dil bhi bekrar hai
Na hosh hai zamane ka
Na khud pe akhtiyar hai mera
O my love o my love o my love
O my love o my love o my love.
