Mukunda mukunda krishna mukunda mukunda  
Mujhe daan mein de vrinda virinda virinda  
Mataki se maakhan phir se chura  
Gopiyo ka viraha tu aake mita  
Mukunda mukunda krishna mukunda mukunda  
Mujhe daan mein de vrinda virinda virinda  
Main kathputali, dor tere saath  
Kuchh bhi nahi hai abb mere haath  
Mukunda mukunda krishna mukunda mukunda  
Mujhe daan mein de vrinda virinda virinda  
Jai jai raam, jai jai raam, jai jai raam, jai jai raam  
Sita raam, jai jai raam, jai jai raam, jai jai raam  
Hey nandlaal, hey krishnaswaami  
Tum toh ho gyaani dhyaani antaryaami  
Mahima tumhaari jo bhi samajh na paaye  
Khaak mein mil jaaye woh khalkaami  
Aisa vigyaan jo ki tujhko na maane  
Teri shradaalu ki shakti na jaane  
Jo paath padhaaya tha tumne gita ka arjun ko  
Woh aaj bhi sachchi raah dikhaaye mere jeevan ko  
Meri aatma ko abb na sata  
Jaldi se aake mohe daras dikha  
Ye mukunda mukunda krishna mukunda mukunda  
Mujhe daan mein de vrinda virinda virinda  
Naiya majhdhaar mein bhi tune bachaaya  
Gita ka gyaan deke jag ko jagaaya  
Chhu liya jamin se hi aasma ka taara  
Narsigha roop dharke hiranya ko maara  
Raavan ke sar ko kaata raam roop leke  
Raadhe ka mann churaaya prem rang deke  
Meri naino mein phool khile sab teri khushbu ke  
Main jeevan saathi chun loon tere pairon ko chhu ke  
Kiske maathe sajaau mor pankh tera  
Kayi sadiyo janmo se tu hai mera  
Mukunda mukunda krishna mukunda mukunda  
Mujhe daan mein de vrinda virinda virinda  
More govinda laala mora tanka sa ora ji ka dhora  
Usaki kahin na koyi khabar, aaja kahin na o toh najar  
Aaja aaja jhalak dikha aaja, der na kar aaja..... govinda gopaala  
Mukunda mukunda krishna mukunda mukunda  
Mujhe daan mein de vrinda virinda virinda
