Youâ€™re a killer
Youâ€™re a murderer
Raftaar!
Uh uh oh Badi lagdi tu hot
Tu mundeya di maut
Tu mundeya di maut, uh oh! (x4) Aankhein shotgun, kare dhayn dhayn
Meri jaane jaana, badi hi fi
Uske aage nazrein jaaye na daayein baayein
Woh hai fly check main hoon fly guy
Meri jaane jana sab tera
Saturday night ko club tera
Jo bhi chaahe tere liye karun haazir
Mujhko bana le ab tera
Karun relation le lo dedication
Dekho situation mat karo hesitation
Donâ€™t say NO
Baby duniya mein ladkiyan boht hain
Tu end hai tu maut hai
Killarr Badi lagdi tu hot
Tu mundeyan di maut
Tu mundeyan di maut, uh oh! (x4) Bina goliyon ke le leti hai jaan tu
Nazrein hain teer poorâ€a baan tu
Bura maan tu
Baatein par sach hai
Duniya gawaah toh aankhein meri judge hai
Tu ladki ghalat hai
Bholi si shakal ki
Tu karti katal hai
Badi hot nasal ki fasal hai
Saheliyan bhi teri karti teri nakal hai
Copy copy kare sab copy
Tu nayi technology hai baaki sab floppy
Oudated, kuch hai overrated
Tu hai meri tarah best tabhi hated
You get it Badi lagdi tu hot
Tu mundeyan di maut
Tu mundeyan di maut, uh oh! (x4) Haseena jaise Katrina
Saif ki Kareena
Hollywood ki Selena
Jeena tere binaâ€™ Hone laga ab mushkil
Kill Bill jaise kar na tu kill kill
Winner.. baby tu hai winner
Kaam tera ladkon ka dil jeet lena
Jeet liya mera,
Dil tere til ne
Kha ke taras kabhi bula le tu milne Badi lagdi tu hot
Tu mundeya di maut
Tu mundeya di maut, uh oh! (x4) Youâ€™re a killer
Youâ€™re a murderer
Raftaar!
