Music - [Anu Malik](#)

Music Label - Venus Records

Mad, mad mad, mad, mad mad
Mad mad mad mad mad mad
M for
My
A for
Adorable
D for
Darling, my adorable darling
My adorable darling
I think of you every night,
Every morning
Hey my adorable darling
I think of you every night,
Every morning
Tere bin main nahin jee sakta hoon
Oh my darling, main
Tera prince charming
My adorable darling
I think of you every night,
Every morning
My adorable darling
I think of you every night,
Every morning
Tere bin main nahin jee sakti hoon
Oh my darling, tu mera
Prince charming
My adorable darling
I think of you every night,
Every morning
My adorable darling
I think of you every night,
Every morning
Mad mujhe kehne waale,
Mere dil mein rehne waale
Tere liye paagal main hoon
Sun le ae jaane jaana,
Main bhi hoon tera deewana
Sach sach tujhe yeh kahoon
Hey, mad mujhe kehne waale,
Mere dil mein rehne waale
Tere liye paagal main hoon
Sun le ae jaane jaana,
Main bhi hoon tera deewana
Sach sach tujhe yeh kahoon
Aage aage jaane kya ho
Abhi to love is starting
My adorable darling
I think of you every night,
Every morning
Tere bin main nahin jee sakti hoon
Oh my darling,
Tu mera prince charming
My adorable darling
I think of you every night,
Every morning
My adorable darling
I think of you every night,
Every morning
Chup chup khoye khoye,
Aadhe jaage aadhe soye
I don't know kya ho gaya
Thodi si hairaani hai,
Thodi pareshaani hai
You tell me kya ho gaya
Hm, chup chup khoye khoye,
Aadhe jaage aadhe soye
I don't know kya ho gaya
Thodi si hairaani hai,
Thodi pareshaani hai
You tell me kya ho gaya
Kabhi door nahin jaana jaanam
Deta hoon main tujhe warning
My adorable darling
I think of you every night,
Every morning
Tere bin main nahin jee sakta hoon

Oh my darling, main
Tera prince charming
My adorable darling
I think of you every night,
Every morning
My adorable darling
I think of you every night,
Every morning
My adorable darling
I think of you every night,
Every morning.
