My body has a surging fire
The baze of word dancing in my eyes
If you got a running desire
You cant look in my eyes
My body has a surging fire
The baze of word dancing in my heart
If you got a running desire
You cant look in my eyes
You make it so beautiful baby
Come on move on closer to me
Spung the flifs if love get running
Romi into extra sean
My body has a surging fire
The baze of word dancing in my heart
If you cant feel the desire
You cant look in my eyes
So my darling
Lets baby i believe in you
You know come at suffling tague
When you meet me i feel good
I little love love really by truly
Make it feel the wave very much shore
My body has a surging fire
The baze of word dancing in my heart
If you got a running desire
You cant look in my eyes.
