You already know waht it is  
When she pulled up i was like wow  
My name red and i like your style  
Take my number and put me on file  
Call me if you ain' t freak in a while  
Yep raghav, let' s get it, mushtak let' s get it  
All my people yo let' s get it  
Pass the so redman can hit it  
Tell me why oh why is she got me feigning?  
Spending all my time in life, every evening  
Trynna get inside of her, i' ve been needed  
I can see the signs, oh baby i can start believing  
O o oh i' m ready to go,  
I finally find what i' ve been looking for in my baby  
She can rock to the city roll straight to the ghetto  
Sipping on champaign the shots and amaretto  
Reebok to reebok so drop them stilettos  
That' s my kinda girl yes sir!  
Oh when i run she' s my number one lover  
Life of the party or she roll under cover  
Some people who there ain' t no other  
That' s my kinda girl  
Well there ain' t no front in, what you see is what you get  
When the speakers bumping, she' s the first to get into  
It got her body flunking now with any music  
Yeah she' s got me buzzing baby  
Then you freaking to do it, it' s true babe  
O o oh i' m ready to go,  
I finally find what i' ve been looking for in my baby  
She can rock to the city roll straight to the ghetto  
Sipping on champaign the shots and amaretto  
Reebok to reebok so drop them stilettos  
That' s my kinda girl yes sir!  
No way to run she' s my number one lover  
Life of the party or she roll under cover  
Some people who there ain' t no other  
That' s my kinda girl  
All i know is that i can' t let it go  
Cause my baby, she' s both sides of the coin  
Oh she' s my left and my right, she' s the apple of my eyes  
She' s my day, she' s my night, oh she' s what keeps me right  
Yes sir! yo redman honey, kick that money  
Girl got chest like a playboy bunny  
Classy, sassy, body look yummy  
Dude like me got it rapped like mummies  
Mohawk funky, take a ride with me  
Show me dem toes in that s550  
Relax girl, no stress like britney  
Life is and get high like whitney  
Redman and raghav bagging  
Chicks by the bar, known as a classic  
She rocks my world a freak in the bed, that' s my kinda girl  
She can rock to the city, roll straight to the ghetto  
Sipping on champaign the shots and amaretto  
Reebok to reebok so drop them stilettos, that' s my kinda girl  
Oh when i run she' s my number one lover  
Life of the party or she roll under cover  
Some people who there ain' t no other, that' s my kinda girl  
She can rock to the city, roll straight to the ghetto  
Sipping on champaign the shots and amaretto  
Reebok to reebok so drop them stilettos, that' s my kinda girl  
Oh when i run she' s my number one lover  
Life of the party or she roll under cover  
Some people who there ain' t no other  
That' s my kinda girl, yo meth watz good baby
