[Karan Aujla]

O tu ni mainu jandi ni case eh pehla  
Duggi tikki badi firdi ae jatt dehla  
Jehda rehnda bhareya rakane round'aa naal  
Ni thode wal bag kehnde saade wal thela  
Jithe main chalai aa rakane kade hilli na  
Ik rehnda tabb te duja ghooda tilli na  
Mitra da sohniye Punjab jeha look  
Waah ni aai utte aa geya aapa panga lain dilli naa  
Chhote hunde kol si gulel rakhda  
Hun de ki asle nu tel rakhda  
Yaarian da engine aa muhre banneya  
Ni munda ni banake utte rail rakhda  
Vairi ni machonda kude goliyan de shor te  
Naara naal wadh ke bhrosa 32 bor te  
Jida jinna kar sakde aa pura karida  
Ni banda khali mudya ni aaya kade zor te

O jehdia kamia assi yaarian hi ne  
Jihna vaare puchdi Ferrari'aa hi ne  
Kaafila hi hunda jehda naal hi hunda

O jedi bahar suni si story hi ae o

[Gangis Khan]

Arrggh, Gangis Khan  
My name causes concern  
My name holds big way  
That something you gotta earn  
My name spreads fear  
Like presence of deadly dream  
Taking over the lamb  
But before this fire burn raw music baby  
As the darns in the city who they..  
With most respect  
We never hate for no reason  
When we speak in  
Cause I just had to put up 'em in check  
We got the whole game locked  
Like the chains on steve ship

Big dogs stares my name carved in the pavement  
Who speak in the roof  
You can hear in the basement  
My name is no word  
It's a statement

O jehde assi kite aa mute hi ne o  
Jehde saanu vajde salute hi ne o  
Jehda assi karde ni cheat hi hunda  
Jehda likha bhun ke ni geet hi hunda  
Oye Aujle naal ghumde o yaar hi hunde  
Meré naal jede o faraar hi hunde  
Assi hi aa jehde nahio khangān dinde  
Assi hi jo chakde jhakhām aa

O jehda tere shehar shreaam chal da ni  
Oh jatt da hi naam aa  
O jehda tere shehar shreaam chal da ni  
Oh jatt da hi naam aa ni...
