Na jaane kya hai tumse waasta  
Pehra tera ye nigaahon pe chaaya  
Main chal diya hoon tere peeche banke saaya  
Pakéezgi hai adaaon mein teri  
Chaukhat pe teri main dil rakh aaya  
Ab tu thaame ya chhode  
Ab tu jode ya tode  
Dil mera mujhse bole  
Koi toh hai tumse raabta  
Na jaane kya hai tumse waasta  
Tu paas aa doon bataa  
Tere sang mujhe khwabon ko sajaana hai  
Dil bezubaan keh raha  
Tere waaste hua ye aashiqana hai  
Tere chehre se hat ti nahi hai nazar  
Ab betha hai mera bhi dil zidd par  
Ab tu thaame ya chhode  
Ab tu jode ya tode  
Dil mera mujhse bole  
Koi toh hai tumse raabta  
Na jaane kya hai tumse wasta  
Ab tu jahaan main wahaan  
Teri galiyon mein mera to thikana hai  
Mujhko lage aise jaise ki  
Naata apna chand se bhi zyaada purana hai  
Bin tere meri saanse mujhse khafa  
Kar de tu karam hothon se keh de haan  
Ab tu thaame ya chhode  
Ab tu jode yaa tode  
Dil mera mujhse bole  
Koi toh hai tumse raabta  
Na jaane kya hai tumse waasta..
