Na tera khuda koi aur hai, na mera khuda koi aur hai  
Yeh jo raste hain juda juda, yeh maamala koi aur hai  
Kyun nahee dekhta jahan me, har shela bedud hai  
Jab ufhee nigaah toh jhuk gayee, yeh mamla kuchh aur hai  
Allah allah allah

Yeh pahar, darakht aur kainat, jab jhuke hain sajud pe  
Na too ban saka na bana saka, woh phir bhee na tujhase juda hua  
Yeh sabh usee ke hain faisle, too jan kar bhee anjan hai  
Na tera khuda koi aur hai, na mera khuda koi aur hai  
Yeh jo raste hain juda juda, yeh mamla koi aur hai  
Kyun shirk me hai pasa hua, kyun dur se too dur hai  
Allah allah allah

Kyun shirk me hai too pasa hua, kyun dur se too dur hai  
Kyun ghumata hai yaha waha, nahee ila koi aur hai  
Na tera khuda koi aur hai, na mera khuda koi aur hai  
Yeh jo raste hain juda juda, yeh mamla koi aur hai  
Jise dhundhta hai yaha waha, dil me tere maujud hai  
Allah allah allah

Jise dhundhta hai yaha waha, dil me tere maujud hai  
Jise mil gaya ek bar woh, usee dil me asre wajud hai  
Na tera khuda koi aur hai, na mera khuda koi aur hai  
Yeh jo raste hain juda juda, yeh mamla koi aur hai  
Jo parhadiya insaan ko, mehmaan hai rahim hai  
Allah allah allah

Jo parhadiya insaan ko, rehman hai rahim hai  
Jab paas thee toh kitaab thee, parhadiya toh kuraan hai  
Na tera khuda koi aur hai, na mera khuda koi aur hai  
Yeh jo raste hain juda juda, yeh mamla koi aur hai  
Phir ibadato ke hain silsile, phir kurbato ke daur hain  
Allah allah allah

Phir ibadato ke hain silsile, phir kurbato ke daur hain  
Jo na jhuk saka woh na pa saka, yehi silsila har daur hai  
Na tera khuda koi aur hai, na mera khuda koi aur hai  
Yeh jo raste hain juda juda, yeh mamla koi aur hai  
Too kyun pujata hai insaan ko, allaah hee toh mabud hai  
Allah allah allah

Too kyun pujata hai insaan ko, allaah hee toh mabud hai  
Phir kyun hai too gharur me, jo na jhuk saka toh firod hai  
Na tera khuda koi aur hai, na mera khuda koi aur hai  
Yeh jo raste hain juda juda, yeh mamla koi aur hai  
Ik bar too phir sochle -2, wohee rabe al shekarim hai  
Allah allah allah

Ik bar too phir sochle, wohee rabe al shekarim hai  
Jo na jhuk saka woh mit gaya, yahee silsila har daur hai  
Na tera khuda koi aur hai, na mera khuda koi aur hai  
Yeh jo raste hain juda juda, yeh mamla koi aur hai  
Ya rab mujhe too baksh de -5, banda toh gunahgar hai  
Allah allah allah

Iss aas par para houn me, sajde pe rabe karim ke  
Jo mai gir gaya tha mukam se, too toh rabe ali mukam hai  
Allah allah allah  
Rabana maghfirullana
