Na tum bewafa ho, na ham bewafa hain
Magar kya kare apanee rahe juda hai
Jaha thhandee thhandee hawa chal rahee hai
Kisee kee mohabbat waha jal rahee hai
Jamee aasaman ham se dono khafa hai
Abhee kal talak toh mohabbat jawan thee
Milan hee milan tha, judayee kaha thee
Magar aaj dono hee be aasara hai
Jamana kahe meree raho me aa ja
Mohabbat kahe meree baho me aa ja
Woh samaje na majburiya apanee kya hai
