Aa na ye chand hoga  
Na faare rahege  
Magar ham hamesha  
Tumhaare rahege  
Na ye chand hoga  
Bichhadakar chale  
Jaae tumase kahi  
To ye na samajhana  
Muhabbat nahi  
Jahaan bhi rahe ham  
Tumhaare rahege  
Na ye chand hoga  
Na taare rahege  
Magar ham hamesha  
Tumhaare rahege  
Na ye chand hoga  
Zamana agar kuchh  
Kahe bhi to kya  
Magar tum na kehna  
Hame bewafa  
Tumhaare liye hai  
Hum tumhaare rahege  
Na ye chand hoga  
Na taare rahege  
Magar ham hamesha  
Tumhaare rahege  
Na ye chand hoga  
Ye hoga ye sitam  
Hamane pahale na jaana  
Bana bhi na tha jal  
Gaya aashiyana  
Kahan ab muhabbat  
Ke mare rahenge  
Na ye chaand hoga  
Na taare rahege  
Magar ham hamesha  
Tumhaare rahege  
Na ye chand hoga.
