Kyon chalutee hai pavan, kyon jhume hai gagan
Kyon machalta hai mann, naa tum jano naa ham -2
Kyon aatee hai bahar, kyon lutata hai karar
Kyon hota hai pyar, naa tum jano naa ham -2
Yeh madhoshiya yeh tanhaiya, tassabur me hai kisakee parchhaiya
Yeh bhiga saman umange jawan, mujhe ishk le ja raha hai kaha
Kyon gum hai har disha, kyon hota hai nasha
Kyon aata hai maja, naa tum jano naa ham -2
Dhadakta bhee hai tadapta bhee hai
Yeh dil kyon achanak bahakta bhee hai
Mahakta bhee hai, chahakta bhee hai
Yeh dil kya vafa ko samajhta bhee hai
Kyon milatee hain najar, kyon hota hai asar
Kyon hotee hai sahar, naa tum jano naa ham
Kyon chalutee hai pavan, kyon jhume hai gagan
Kyon machalta hai mann, naa tum jano naa ham
Kyon aatee hai bahar, kyon lutata hai karar
Kyon hota hai pyar, naa tum jano naa ham -2
