Naa yeh jamin thee naa aasmaan tha
Naa chaand taaro kaa hee nishaan tha
Magar yeh sach hai ke unn dino bhee
Tera mera pyaar yu hee javan tha
Naa yeh jamin thee.....
Chale kaha se kaha pe aaye, khumar banke jaha pe chhaaye
Nibhaayee rasme vafa kuchh aise, muhabbato ke chaman khilaaye
Naa kaise aasana hotee manjil, har ek armaan naujavaan tha
Naa yeh jamin thee.....
Hamee ne taaro ko roshanee dee, hamee ne phulo ko tajagee dee
Hamee ne taaro...
Jidhar se gujare jahan bhee thahare
Har ek jarre ko jindagee dee
Kuchh isame dil kee fadap thee shaamil
Kuda bhee kuchh ham pe meharbaan tha
Naa yeh jamin thee.....
Najar me phulo bharee hain raahe
Khushee se rangin hain nigaah
Suno toh kuchh kah rahee hai hamse
Bahaar phaila ke apane baanhe
Idhar se gujaroge ek din tum, nasib aisa meraa kaha tha
Naa yeh jamin thee.....
