Tainu ishq hai mujhase jo keh de tu haan  
Dil kya hai main toh tujhape luta du meri jaan  
O mera itana sa jo kar le tu khayaal soniye  
O o nacha main, nacha main, nacha main, nacha main...  
Nacha main tere tere naal, nacha main tere naal soniye - 3  
Everybody move you body, aaja nach le re nach le  
Jawaani yeh deewaani kar le dancing kuchh romancing  
Let the rhythm get over, yeh dhun mastaani hai  
Mujhape saari duniya fida hai  
Par mera dil tujhape aa gaya hai  
Tere deewaane pan ka jaadu  
Meri dhadkan pe abb chha gaya hai  
Teri baahon mein simat gaye mere do jahaan  
Meri khaaishon mein basati hai tere armaan  
Teri chaahton ka saara hai kamaal soniye  
O o nacha main, nacha main, nacha main, nacha main...  
Nacha main tere tere naal, nacha main tere naal soniye - 3  
Na puchh aalam meri khushi ka  
Na na na na na...  
Na puchh aalam meri khushi ka  
Manjar mehaka hai jindagi ka  
Teri manjil tera fasaana  
Mil gaya tujhako tera deewaana  
O tere chehare pe thehari hai jab se najar  
Tab se najar behaki hai idhar udhar, idhar udhar.....  
O tera roop lagata hai bemisaal soniye  
O o nacha main, nacha main, nacha main, nacha main...  
Nacha main tere tere naal, nacha main tere naal soniye - 3  
Hoy nacha main, nacha main, nacha main, nacha main...  
Nacha main tere tere naal, nacha main tere naal soniye
