Dekho chhodke kis raste woh jaate hain  
Saare raste vaapas mere dil ko aate hain  
Please  
Nahee saamane  
Nahee saamane yeh alag baat hai  
Mere paas hai  
Mere paas hai too mere paas hai  
Mere saath hai, mere saath hai  
Tera naam maine liya hain yaha  
Mujhe yaad tune kiya hai vaha  
Bade jor kee aaj barsaat  
Mere paas hai too mere paas hai  
Mere saath hai, mere saath hai  
Bichhad ke bhee mujhase juda toh nahee  
Khafa hai magar bewafa toh nahee  
Mere haath me hee tera haath hai  
Mere paas hai too mere paas hai  
Mere saath hai mere saath hai  
Mere paas hai mere paas hai
