Nain milaakar chain churaana, kiska hai yeh kaam
Humse puchho hamko pata hai uss jaalim ka naam
Nain milaakar chain churaana, kiska hai yeh kaam
Humse puchho hamko pata hai uss jaalim ka naam
Woh aaya toh kho gayi, yeh saari mehfil
Dekha iss andaaj se, sab kho baithe dil
Thoda sa woh meherbaan, tohda sa kaatil
Woh jisaki har ek ada par laakhon hai iljaam
Humse puchho hamko pata hai uss jaalim ka naam
Nain milaakar chain churaana, kiska hai yeh kaam
Are humse puchho hamko pata hai uss jaalim ka naam
Kisaka gussa hai bhala jispe aaye pyaar
Aisa dushman haay re jisko saamajhe yaar
Socho toh woh kaun hai, sharmila dildaar
Jisaki mast nasheeli najare aise jaise jaam
Humse puchho hamko pata hai uss jaalim ka naam
Nain milaakar chain churaana, kiska hai yeh kaam
Humse puchho hamko pata hai uss jaalim ka naam
Jaagi jaagi si jara, kuchh soyi soyi
Aankhein bhi uss shokh ki hai khoyi khoyi
Shola hai woh phul hai yaa sapani koyi
Jisaki khaatir koyi bhi ho sakata hai badnaam
Are humse puchho hamko pata hai uss jaalim ka naam
Nain milaakar chain churaana, kiska hai yeh kaam
Humse puchho hamko pata hai uss jaalim ka naam
