Naino se naino kee bat huyee, chhup chhup key tumse mulakat huyee  
Nahee jan sake tum, nahee jan sake ham  
Phir bhee ghungharu ne bol diya chham chham chham  
Naino se naino kee  
Tum jo mile phul khile dil key arman hile, dharatee gagan dono lage jhumane  
Naino se milate hee nayan chalane laga mand pavan  
Bhanvar lage kaliyo ko chumane, pehle milan kee yeh karamat huyee  
Chanda bin punam kee rat huyee, nahee jan sake tum  
Chanchal palako key tale najaro key tir chale, baji lagee do dilo key khel kee  
Tum bhee chale ham bhee chale dekh key sab log jale  
Badhane lagee bel madhur mel kee, apnee muhabbat kee shuruwat huyee  
Jit idhar aur udhar mat huyee, nahee jan sake tum
