Nam mera prem kalee, prem kalee mar key chalee
Raste me khud kee galee prem galee
Usane mera nam liya, maine jiya tham liya
Usane mujhe chhed diya, maine munh phef diya
Maratee kya kartee
Raste me woh khada tha, kab se mere pichhe pada tha
Josh bada usako chadha tha, raste me woh khada tha.....
Bich dagar mel huwa aur shuru khel huwa
Naino se nain lade raste me log khade
Dil dhak se dol gaya, kya kuchh woh bol gaya
Khatara mai bhanp gayee dharatee kanp gayee, kartee mai kya kartee
Woh apnee jid pe ada tha, kab se mere pichhe pada tha
Arey raste me woh khada tha.....
Husn key yeh kitne jatan -2, maine chura liya badan
Hat pare, are hat pare maine kaha dekh idhar usane kaha
Khalee nahee aaya hu mai dekh anguthee laya hu mai
Waise mai toh naa letee anguthee pheink detee
Par usame hira jada tha, kab se mere pichhe pada tha
Arey raste me woh khada tha.....
