Tere peeche aye jo bhi  
Tere aage aye jo bhi  
Pyaar se jo lega tera naam  
Tyacha nanachi taang  
Jiski tu nazar mein aay  
jo tujhe nazar lagaye  
Kar dun usko mein  
Tera gulam tyacha nanachi taang  
Meri hai tu meri hai  
Tu mera sapna  
Churaaye mera sapna jo  
Bolunga usko saare aam  
Tujhe nanachi taang  
Mere siwa jo tujhe  
Dekh lagta bura  
Ik din main tujh ko hi  
Duniya se lunga chura  
Aake farishte bhi  
Tujhse miloon tho jaloon  
Subhahon ko, shamon ko,  
Raaton ko main hi miloon  
Tere mere pyaar se jo  
Jal raha ho jaan le woh  
De raha hoon main usse paiggam  
Tyacha nanachi taang  
Jiski tu nazar mein aaye jo  
Tujhe nazar lagaaye kar main  
Tera gulam  
Tyacha nanachi taang  
Chuke hawaein kyun  
Guzre yun tujhko bala  
Takde hue tujhko kyun hai  
Yeh suraj dala  
Innko bhi mohabbat hui jo kahin  
Ho jaayegi innse  
Phir meri dushmani  
Tu hai toh pasand  
Meri chahatein kare jo teri  
Pyaar ke jo bhejega salam  
Tyacha nanachi taang  
Jiski tu nazar mein aaye  
Jo tujhe nazar lagaaye ka  
Dun uss ko main tera gulam  
Tyacha nanachi taang  
Meri hai tu meri hai  
Tu mera sapna  
Churaaye mera sapna jo  
Bolunga usko saare aam  
Tujhe nanachi taang.
