Nasha nasha nasha nasha nasha
Mujhame bhi hain nasha
Hain nasha hain nasha
Tujhame bhi hain nasha
Hain nasha hain nasha
Tera nasha mujhpe
Tera nasha tera nasha
Mujhpe tera nasha
Mujhame bhi hain
Nasha hain nasha hain nasha
Tujhame bhi hain
Nasha hain nasha hain nasha
Maikaash ko peene ka nasha
Saanso ko jeene ka nasha
Yeh zindagi hi ek nasha
Tera nasha mujhpe tera nasha
Tera nasha mujhpe tera nasha
Dekhate main jahan hain nasha hi
Nasha mastiyo mein jahan duba huwa
Kaun hain hosh mein mujhako
Bata de zara iss nashé ko
Toh hai apna nasha
Aankho mein hain nasha baato
Mein hain nasha khwaabo mein
Chhaaya hain nasha
Tera nasha mujhpe tera nasha
Tera nasha mujhpe tera nasha
Mujhame bhi hain nasha
Hai nasha hain nasha
Tujhame bhi hain nasha
Hai nasha hain nasha
Muntasar kyon nazar
Manzil ka ussko nasha
Kab milegi nazar kisko pata
Josh mein har kadam ummid ka
Silsila rukne wala nahin yeh kafila
Manzil ka hain nasha mehfil ka
Hain nasha har lamha
Chhaaya hain nasha
Tera nasha mujhpe tera nasha
Tera nasha mujhpe tera nasha
Mujhame bhi hain nasha
Hain nasha hain nasha
Tujhame bhi hain nasha
Hain nasha hain nasha
Mainkash ko peene ka nasha
Saanso ko jeene ka nasha
Yeh zindagi hi ek nasha tera
Nasha mujhpe tera nasha
Tera nasha mujhpe tera nasha
Tera nasha mujhpe tera nasha
Tera nasha mujhpe tera nasha
Tera nasha mujhpe tera nasha
Tera nasha mujhpe tera nasha
Tera nasha mujhpe tera nasha.
