Neend churaai meri kisne
O sanam, tune
O chain churaya mera kisne
O sanam, tune
O dil mein mere rehne wali kaun hai,
Tu hai tu hai
Neend churaai meri kisne
O sanam tune
O chain churaya mera kisne
O sanam tune
O dil me mere rehne wali kaun hai,
Tu hai, tu hai
O neend churaai meri kisne
O sanam tune
Ha chain churaya mera kisne
O sanam, tune tune oh
Kya matlab hai, kyun tu aage pichhe hai
Dil bechara inn pairon ke niche hai
Ho dil kaa bharosa kya hai dil toh kaphir hai
Jaan meri le, jan bhi meri hajir hai
Ho teri kismat, teri chahat kaun hai
Tu hai, tu hai
Oh neend churaai meri kisne
O sanam, tune
Ho chain churaya mera kisne
O sanam, tune
Ho dil mein mere rehne wala kaun hai
Tu hai, han tu hai
Ho neend churaai meri kisne
O sanam, tune
Ha chain churaya mera kisne
O sanam, tune, tune han
Kya hai bharosa tere jaise pagal kaa
Ghungru banake rakh le apni payal kaa
Oh pyar hai toh kehta hai kyun darr darrke
Ek nahi maj sau bar dikha du mar marke
Oh sach sach kehna,
Dil mein tere kaun hai, tu hai, tu hai, han
Neend churaai meri kisne o sanam, tune
Han chain churaya mera kisne o sanam, tune
Hey dil mein mere rehne wali
Kaun hai, tu hai, tu hai, ho
Neend churaai meri kisne
O sanam, tune
Han chain churaya tera kisne
O sanam, tune, tune oh.
