This is the new age mantra
This is the new age mantra
This is the new age mantra
This is the new age mantra
Hold on you people gals and guys
Just break free and lets all rise
This is the new age mantra
Hold on you people gals and guys
Just break free and lets all rise
Saare jahaan mein failaaye hum
Love and peace ka tantra
This is the new age mantra
This is the new age mantra
This is the new age mantra
This is the new age mantra
Hold on you people gals and guys
Just break free and lets all rise
Ho ho ho ho..
Hai apni to new generation
Nayi umar hai ummeedein nayi
Madhoshi mein hosh hai
This is the new age mantra
Hum layenge new vibrations
Nayi manzilein hain raahein nayi
Kadmon tale josh hai
Ek roz hum mita jaayenge
Sab nafraton ke nishaan
Hold on you people gals and guys
Just break free and lets all rise
Hold on you people gals and guys
Just break free and lets all rise
Saare jahaan mein failaaye hum
Love and peace ka tantra
This is the new age mantra
This is the new age mantra
This is the new age mantra
This is the new age mantra
Hold on you people gals and guys
Just break free and lets all rise
Ho ho ho ho..
Ho ho ho ho..
Dil jo bole
Hum wo maane
Zara puchho to saara jahaan
Kyun humse naraaz hai
This is the new age mantra
Na roko tum
Na na na na toko tum
Ud ke humein chhoo lene do
Jo apni parvaaz hai
Awaaz de sham o sehar
Hum ko khula aasmaan
Hold on you people gals and guys
Just break free and lets all rise
Hold on you people gals and guys
Just break free and lets all rise
Saare jahaan mein failaaye hum
Love and peace ka tantra
This is the new age mantra
This is the new age mantra
This is the new age mantra
This is the new age mantra
Hold on you people gals and guys
Just break free and lets all rise
Hold on you people gals and guys
Just break free and lets all rise.
