Nicha kam uncha naam
Naam naam naam
Yeh duniya kaisa
Ghorakh dhandha
Nicha kam uncha naam
Yeh duniya kaisa
Ghorakh dhandha
Nicha kam uncha naam
Yeh prani aankhe rehte andha
Nicha kam uncha naam
Sidha kam baba sidha kam
Unche unche mahal utha le
Unche unche mahal utha le
Lakh bichha le pehre
Lekin roke ruke na aayi
Samay chakkar na thehare
Sar pe sada kal ka kal ka
Kal ka phanda
Nicha kam uncha naam
Yeh duniya kaisa
Ghorakh dhandha
Nicha kam uncha naam
Nicha kam uncha naam
Nicha kam uncha naam
Munga naam kar du kam
Kar du kam mera kam
Nicha kam uncha naam
Naam naam naam naam
Kashi jaaye mathura jaaye
Kashi jaaye mathura jaaye
Kashi jaaye mathura jaaye
Das asnan karaye
Lekin man ke andhiyare mein
Chor chhupa muskaye
Chal udhar de udhar de
Udhar de
Nicha kam uncha naam
Yeh duniya kaisa
Ghorakh dhandha
Nicha kam uncha naam
Naam naam naam naam
Krishan kanahiya ne chori ki
Madhu kar shyam
Jhuma le aankh
Madhu kar shyam
Jhuma le aankh
Krishan kanahiya se
Thodi mafi kaun karaye
Hum jaisa jo kar baithe
To duniya khel banaye
Kya ho jab na mile koi
Na mile koi
Na mile koi dhandha
Nicha kam uncha naam
Yeh duniya kaisa
Ghorakh dhandha
Nicha kam uncha naam
Yeh prani aankhe rehte andha
Nicha kam uncha naam
Nicha kam uncha naam
Nicha kam uncha naam
Munga naam kar du kam
Kar du kam mera kam
Nicha kam uncha naam naam.
