Nigaahe nichee kiye sar jhukaye baithe ho  
Tumhee toh ho jo meraa dil churaye baithe ho  
Mahake huye tere lab ke gulab badhata huwa teraa kamasin shabab  
Teraa anguree tan jo huwa hai hay re aaj pani bhee madira huyee hai  
Rok payegeee kya mujhko sharmo haya  
Dil me dabata nahee aisa tufan utha  
Ladake had se gujarane lage hain  
Hay re kalee bhanvare pe marane lagee hai  
Milana jaruree huwa do dilon kaa milane ke raste nikale  
Jismon ne jo fasale chun liye the dil ne woh khud tod dale  
Chand taron kee kya hai jarurat mujhe tere tan ke bahut hain ujale  
Dil chhu gayee teree tikhee najar tikhee najar kar gayee kya asar  
Tan me angara dahaka huwa hai hay re aaj man hai ke ho  
Aaj man hai ke bahaka huwa hai  
Suraj yeh bola kalee tu khil ja kirano ke har tujhe dunga  
Badal yeh bola kalee tu khil ja nayee bahar tujhe dunga  
Bhanvare ne kaha kuchh bhee dunga  
Nahee mai toh teraa pyar lunga  
Kahana sun bhanvare kaa hans ke khil gayee kalee  
Kisee lalach kee bat na kalee par chalee  
Pyar dekar nikharane lagee hai hay re  
Kalee bhanvare pe marane
