Nind churayee merree kisne o sanam, tune
O chain churaya mera kisne o sanam, tune
O dil me mere rehne walee kaun hai, too hai, too hai
O nind churayee merree kisne o sanam, tune
Ha chain churaya mera kisne o sanam, tune tune oh.....
Kya matlab hai, kyun too aage pichhe hai
Dil bechara inn pairon ke niche hai
Ho dil kaa bharosa kya hai dil toh kaphir hai
Jan merree le, jan bhee merree hajir hai
Ho teree kismat, teree chahat kaun hai, too hai, too hai
Oh nind churayee merree kisne o sanam, tune
Ho chain churaya mera kisne o sanam, tune
Ho dil me mere rehne wala kaun hai, too hai, han too hai
Ho nind churayee merree kisne o sanam, tune
Ha chain churaya mera kisne o sanam, tune, tune han
Kya hai bharosa tere jaise pagal kaa
Ghungru banake rakh le apni payal kaa
Oh pyar hai toh kehta hai kyun darr darrke
Ek nahee mai sau bar dikha du mar marke
Oh sach sach kehna, dil me tere kaun hai, too hai, too hai, han
Nind churayee merree kisne o sanam, tune
Han chain churaya mera kisne o sanam, tune
Hey dil me mere rehne walee kaun hai, too hai, too hai, ho
Nind churayee merree kisne o sanam, tune
Han chain churaya tera kisne o sanam, tune, tune oh
