Ha, ha tu toh hai wahi, woh mera hamnashi
Tu hi, tu hi hai meri jindagi ka woh
Sapna mila jo hai yahaan, sama milega abb kaha
Can you feel it, music counting
Stars are shining and weâ€™re branding
We were moving, we were winding
Girl i feel that damn there is nobody like you
There is nobody like you, there is nobody like you
Aati jaati raahon mein jo surat thi anjaani si
Woh hai yaha i have been waiting for you
Socha mere khaabon mein khayaalon mein hamesha
Ha tu hai wahi i been searching for you
Teri yeh nigaahe yeh adaaye jab bhi
Chaahe le le jaan meri i been living for you
Aake teri baahon ke panaahon mein lutá du
Main yeh jindagi can you feel it, music counting
Stars are shining and and weâ€™re branding
We were moving, we were winding
Boy i feel that damn there is nobody like you
Ha ha tu toh hai wahi, woh mera hamnashi
Tu hi tu hi hai meri jindagi ka woh
Sapna mila jo hai yahaan, sama milega abb kaha
Can you feel it, music counting
Stars are shining and and weâ€™re branding
We were moving, we were winding
Girl i feel that damn there is nobody like you
There is nobody like you, there is nobody like you
Come to me boy.
