Yeah!
Inhe lage ki ye kaisa hai insaan
Lage ajeeb kaise karta hai ye kaam
Meri hasi choote lagte hai ilzaam
Baatein jo bolu kadvi tole zubaan
Mujhe likhne se matlab hai
Inn naye ladko bas dikhne se matlab
Galtfehmi mein jeena bikne se matlab
Aur bas vehami bah jeena bas yehi maqsad
Hain in sabka ab sar mastak hain
Main..gehri saans lu fir maaf karun
Or phir sochun ki khatam ch*d sarvanash karun
Aur phir lage ki inka dosh kya hain, chhod do
Ye phirse chonch khole
Lage bhasam karo raakh karo
Mere andar basta hai shayar
Aur ek gangsta bhi
Ladko me leheth baaji
Ghar pe koi baithta ni
Banana chahe ye rapper par tez rap ka ni
Karna chahe ye behtar par kam koi fekta ni
Inko laga main lapet ta ni dekhta ni
Kitni fake baate kaun kitna paani me
Khaya jin logo ne ek thaali mein, wo dekhta ni
Kyunki aaj usko hype jo kamaani hai
Manmaani meri hain main inhe kyun jawab du
Parwah ni teri hain ye jaanta hai aaj tu
Ghabrayo mat mujhse tujhse kya he badla loon
Tu mujhse na hi bol hoga behtar le ye jaan tu
Padi lakdi lena acchi baat ni
Beef ek se paach naam lo ye kaise baat bhayi
Ye thi soch ek rapper ki
Ab suno comman man se is desh ke halaat bhayi
Log jal rahe hain, is that funny?
And how these media folks are making money
Vote banks based on religion
All these politicians tryna sh*t on us
Like they have bad tummy
My words backfire, but i m no baghdadi
And iâ€™m so deep underground like the black money
Huh! Wo soche mujhe kaise rokenge
Saare plans failed notebandi se na baat bani
Boht funny!
Andar se kha rahe hain iss desh ko
Humare bhayi se bole dastaawez do
Ye saare judge kare bande ko uske naam se
Uske bhes ko hai lagta kahi bechde na desh ko
Shehar mein hai kehar ye gaya jal
Jab apno ko hi kaata kya karega ganga-jal
Jab apno ko hi baata kaisa hoga tera kal
Sadak pe hai tamasha neta he hain be-akal
To sabko saath leke chal tu kar pehal
Ye desh hai kisi ka inko bas hai ye veham
Agar jo hai to hai ye sabka, mera ye kehan
You can be my friend no matter whatâ€™s your religion
No offense!
Ye kaisi hinsa dhyan ik dafa do
Kisi ka ghar jalado usse lagzaat maango
Phir uske apne hone ka saboot hi mita do
Aur phir pucho kaun ho kaha se ho or kya ho?
