Now you see it now you don t
All you see and all you know
I ll illusion a magic act
All you think you have figure out
Smoke and mirrors and thats a fact
Life is a game if you play
So are you if you wont
Look at me look at you
Now you see it now you don t
Life is a game if you play
So are you if you wont
Look at me look at you
Now you see it now you don t
Now you see it now you don t
Now you see it now you don t
Now you see it now you don t
