O chhupane vale abb teree chilman kee kair ho
Dilvale aa gaye tere daman kee kair ho
O dilvale ham teree galee tak aa pahunche
Ek aavara bane huye tuta tara bane huye
Nahee jinake thikane jo hain sabse begane
Vahee tere deevane ha vahee, o dilvale ham.....
Shaharo shaharo phirate huye pahunche uthte girate huye
Leke shamo sahar teraa darde jigar
Lie phirate the dar badar ha vahee, o dilvale ham.....
Sathee ko sath lie hatho me hath lie
Rahon me gul khilate jhumate gunagunate
Teree najaro ke divane ha vahee, o dilvale ham.....
Tere dar tak a hee gaye aakir tujhko pa hee gaye
Jinake ghayal hain dil jinaka too hai kati
Jinase bachana hai mushkil ha vahee, o dilvale ham.....
